

Praxair Express™ – the Web-Based Tool to Manage Your Bulk Gas Supply Account

Quality Products. Safe and Secure Transactions. Your Online Account.

Praxair, Inc. is proud to present its online bulk gas supply tool, called *Praxair Express*™.

As a registered member of *Praxair Express*, you have the ability to view accounts, track orders, and monitor changing activity as it relates to your company's business relationship with Praxair. These features and more help you better manage your bulk gas supply.

And, we continue to expand its functionality to provide more value for our customers' accounts payable and purchasing departments.

With *Praxair Express*, You Get All This

- Manage your account
- Access invoices and shipping documents
- Provide production use changes
- Automate communication and administrative reporting
- Access delivery history and order status
- Monitor product usage
- Access Safety Data Sheets (previously MSDS)
- View FAQs on-line
- Enter tank gauge reading/view supply history
- Export monthly volume and spend graphs to Excel

As a new member, you will need to register by going to bulkexpress.praxair.com and following the simple directions. Once you are registered in the system, you can bookmark the site for quick access in the future. We recommend using Internet Explorer 7.0 or higher as your browser for best performance.
